Aroma Corporation grants a standard warranty of **1-year** period on all Aroma products purchased directly from Aroma online store or from an official distributor. Warranty service does not extend to products repurchased from another seller or from a third party. The warranty period starts from the date shown on the customer's purchase invoice.

The Aroma warranty does not cover any defects or damage caused by inappropriate, incorrect or improper use.

Aroma will contact you to determine the problem and initiate the standard RMA procedure. The customer is responsible for paying the freight charges and any duties of the replacement product that Aroma may send to you.

If a part is repaired or replaced during the warranty period, the warranty period still remaining for the entire product will apply to this part.
